

# **OPEN DEBATE**

**This House Believes That India should adopt the Western secularist model, where the government does not involve itself in any religious matters.**

# **GUIDELINES**

**No hate speech, slander or targeting of any specific religion will be tolerated. Speeches should be respectful towards religious sentiments.**

**Personal attacks on any speaker will not be tolerated. The case presented by a speaker should be the only point of discussion.**

**No recording of speeches will be allowed.**
